INFORMATION (FINE PRINT)

Almost every business has a busy time and a slower time. You might need more designs, edits and changes done on your design project or website some months (for special events, marketing, etc.) more than others.

Silver and Gold Package only - We will bank any unused hours from your maintenance package into the next month up to 2 months. Hours will not roll over to the third month. *Please note for our Standard and Bronze retainers any un-used time/hours will not be rolled over.

Hours in excess of the monthly agreement are billed at the retainer rate, and are due and payable on receipt. * Please note, "At Your Services" means that we will do our best to prioritize retainer contracts. "At Your Services" does not mean that we will stop everything we are doing to work on your project over someone else's previously booked project. However we do understand that emergencies happen, so for an extra RUSH FEE (Not included in any package), we will do our best to help you with your last minute needs.

A service agreement must be signed before we commence.
